Loving our cricket and our strong clubs with their vibrant pathways for junior cricketers

From the Chairman- Steve Pittman

Welcome to another summer of cricket in the Rotorua / Lakelands region.

Cricketing number in the Rotorua / Lakelands region are similar to last year and we again enjoy the support and rivalry with our neighbours in Tokoroa and Taupo for our hardball grades.

Although the aim is to enjoy cricket and have fun, we also need to balance the safety and welfare of participants and supporters. Please take care out there

We have some exciting developments that we hope will

improve the participation in junior cricket. Alex Evans is our full time Cricket Development Officer for the whole season, who is assisting with both in school and after school cricket. We also have additional one on one junior coaching (user pays)

We are also looking to start an adult T10 competition on Friday nights.

All the best for the run up to Christmas and enjoy the warmer weather.

From the Senior Committee

It's time once more for the battle of the willow versus the leather. On behalf of the Senior Match Committee I would like to welcome all visitors to our fair city.

May your afternoons be filled with excitement and pleasure there can only be one winner and let's make that winner be cricket. To all local teams the very best of luck and let's make our visitors feel welcome.

Play hard but play fair.

Junior Cricket

Junior Cricket for the 2016/17 season has got off to a good start and it has been great to see so many enthusiastic young cricketers across all the age groups eager to pick up the bat and get out there and play. Also a big thank you goes out to all those that have given up their time to coach, manage, umpire, score and merely support the junior players, without all of you Junior Cricket would not exist.

Let's have a fantastic summer of cricket.

Western Heights High School vs Rotorua Boys High School T20

Thanks to all those that were involved in making this game happen. It was a fun start to the season and the sportsmanship displayed by the players made the parents and coaches proud.
